

# ANTHONY DUDO

SHARON DUNWOODY AWARD

**Anthony Dudo** is an Associate Professor in the Stan Richards School of Advertising and Public Relations at the University of Texas at Austin. He researches the intersection of science, media and society. He is particularly interested in scientists' public engagement activities, media representations of science and environmental issues, and the contributions of informational and entertainment media to public perceptions of science. He is the faculty committee chair of UT's cross-disciplinary minor in science communication, and in 2016 he received the UT-System's highest teaching honor, the Regents' Outstanding Teaching Award.
