What is your favorite J-School memory?

Racing back to the Daily Cardinal offices after sporting events to develop pictures or file my stories

Do you have a favorite Madison hangout?

The basement of the Elvehjem Art Museum and library. No one knew it was there, so it was a quiet place to study and I could "take" all the art courses by visiting the displays of the art of the week for each class.

Favorite J-School classes

Bill Blankenburg's editing class, any ad class taught by Don Stoffels, Arnold Serwer's feature writing class and Mary Ann Yodelis' "Law of Mass Communication" class
